 Welcome Reception in the evening

Monday, March 11 Sessions all day
 Optional - Evening Hawaiian Luau – Ka'anapali Sunset Luau at Black Rock

Tuesday, March 12 Sessions until approximately 3 p.m.

If you are interested in golfing with an AgVantage group on Maui, please contact Chuck Bohanon by September 1st. He will organize a group if there is enough interest.

Guest Room Reservations may be made starting Wednesday, August 1st, please check agvantage.com for the web link as well as the reservations phone line.

Conference group rates start at \$223 per night for Mountain View, for a single or double (reg. \$399) \$257 for Run of Ocean Guest Rooms, (children age 17 and under are free) Our group will have a discounted \$10 per day resort fee (reg. \$30) which covers internet, self-parking, shuttle to Lahaina, local phone calls, and daily seasonal activities.

Adding on extra days for a vacation? Our hotel contract runs from 3/8 thru 3/13, however our special group rates are also available 3 days post and prior, (depending upon availability) so you could make reservations between 3/5 thru 3/16. If you know you want to extend your stay, I would recommend making your reservations August 1st, or soon after, as there is good availability right now for the pre and post dates, but this could change, depending upon what else gets booked at the hotel. There is a deposit required when making hotel reservations, however it is completely refundable if cancellation occurs at least 7 days prior to your stay.
