	8:00	8:45	"Growing Together to Transform Tomorrow" - Michelle Blomberg, CEO AgVantage Software	Alone, we can do so little compared to what we can achieve together. If everyone in the group or company is moving forward together, success takes care of itself. Cultivating Connections is at the core of the AgVantage National Conference. We've found that when two or more people come together through idea sharing and focus on growth with a common goal, transformation is inevitable. It is simply teamwork taken to the highest level. At AgVantage Software, this philosophy has been at the core of the evolution needed to continue to be a leader in software applications for the ag-industry. Come hear Michelle speak on "Growing Together to Transform Tomorrow." You'll hear life stories woven through these topics related to change, leadership, teamwork and culture.	*	*	*	*	*	*	*
