CUSTOMER SERVICES DEPARTMENT UPDATE

Theresa Willems
VP Customer Services
theresaw@agvantage.com

Welcome to Spring! Here in the Upper Midwest, we've been battling cooler than average temperatures for some time, with just a few 'teaser' days thrown into the mix, but now Mother Nature has quit toying with us and we are on our way to a beautiful transition to summer. Now the hum of tractors and the other sights, sounds and smells of spring fill the air as nature begins its hurried transition for the change of seasons.

Our AgVantage staff is busy as well, preparing for our upcoming 2016 User Conference. Our Programming staff is hard at work putting the finishing touches on all the new programs and offerings we will be showcasing at this year's conference. Our Support staff is busy as well, starting to prepare our session presentations and putting together the best information for our customers to showcase new software, and also help you learn new tricks, tips and tools to help you make your day to day tasks more efficient. We truly are very excited to have you join us at this year's conference! Be sure to register for your sessions of interest early to reserve your spot in a session that is of great interest to you as some classes do fill up quite quickly.

While our User Conference is a great learning opportunity for you, don't forget about our upcoming eTraining sessions. We have a full series of sessions now through the end of May already out on our website. As in the past, we do not offer eTraining during the month of June because of our Annual User Conference, but our regularly scheduled classes will start again in July. If there is ever a class you would like us to add to our sessions, please contact Elise (elisem@agvantage.com) or anyone from our support department and we'll be happy to add new course ideas to our session list.

Looking forward to seeing many of you at our User Conference in June!

Have a safe spring season,
Theresa

2016 NATIONAL CONFERENCE UPDATES
REGISTER BY MONDAY, MAY 2ND FOR A \$100 DISCOUNT!
Minneapolis, MN
June 22-24, 2016

Lori Campbell
 Conference Manager

All of the pieces of the conference puzzle are fitting together nicely and we are excited to be offering our 31st Annual National Conference. The conference brochures were mailed last week. Registration is available via agvantage.com. The conference app will soon be launched for both the Android and Apple app store. Our support staff are busy getting ready and there's just a whirl of activity that touches all departments in our office!

Come join us at the conference as you do not want to miss seeing all of the great new Edge products: Energy, Energy Dispatching & Mapping, Grain Customer Portal, Agronomy & Agronomy Dispatching, Feed, CRM, and Accounts Payable. We also have many sessions where customers are teaching, or assisting our staff, plus Lightning Rounds, and these make the conference extra special. Plus, the conference offers you a chance to participate in future software development by participating in the Customer Driven Development sessions. In addition, we have plenty of customer networking for you to meet others working in the Agribusiness industry.

Please note that our \$100 Early Bird Registration Special is a little earlier than usual because of the Guthrie theater tickets, so don't delay! Now is the best time to register as the \$100 discount ends May 2nd.

5 Reasons To Register Today:

1. You will save \$100 off of your registration fee. (expires on 5/2)
2. You will get all of the sessions that you want by registering early.
3. With 90+ sessions to choose from—it's the best software conference in the Agribusiness industry!
4. You will definitely be able to reserve a ticket to the Thursday evening dinner/play at the Guthrie Theater—*South Pacific*. AgVantage Software has 200 tickets on reserve.
5. You will qualify for the "buy 4 registrations, get 1 free" program. Another \$595 in savings! (expires on 5/2)

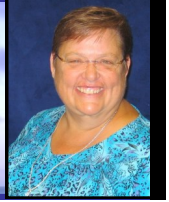

Conference information & registration are both available from our website.
 We hope to see you in June!
