AGVANTAGE NATIONAL CONFERENCE 2020 Hyatt Regency—Bloomington, MN

Lisa Sick
Vice President—Project Management
lisas@agvantage.com

June 16-19, 2020 will be our AgVantage 35th National Conference at the Hyatt Regency Bloomington at 3200 East 81st St Bloomington, MN 55425. We are so excited for this event, and we hope to be able to have it in the midst of the pandemic going on. If it needs to be cancelled, we will post that on our website.

The Hyatt Regency is in a great location, close to the Mall of America and right on the light rail transportation to many local destinations in Minneapolis and St Paul, like Target Field where the MN Twins play.

For hotel reservations, we have a block of rooms reserved with a reduced rate, use the link on the front page of our website. www.agvantage.com

“Feed the Future” is the theme of this conference. Please email me (lisas@agvantage.com) the stories and pictures of some of the great things you and your company do to feed the future of Agriculture. Share

your stories with me, and I will share these ideas at the conference.

For example: *Hanby Farms Inc. in Nashport, Ohio* provides feed at a reduced price to kids in FFA who are showing animals at the local fair, along with a t-shirt to wear at the fair. If they earn championship status, they get a jacket too.

Mark Mayfield will be speaking to us Wednesday morning with his humor and real-life wisdom. Mark was raised on a farm in Kansas and served as National President of the FFA. He is known as the “Corporate Comedian” and we look forward to enjoying his humorous message.

“Farm Fest” Wednesday night we will be having a “farm fest” event with an awesome special guest providing live music. Plan your costume to be something Farm Related (Animals, Equipment, Food, People), it will be fun!

Registration will only be online this year. You may have received a ‘Save the Date’ postcard in the mail. (We will not be sending a brochure this year). We will be posting on our website the conference agenda along with the registration link to sign up for classes. That will be published early in April. There will be great speakers, classes, open discussions and lots of networking opportunities.

In This Issue:

You won't want to miss it!
