

The Edge Seed Module assists retailers with managing Grower Seed Orders, Managing product in Seed Warehouses, and tracking inventory efficiently. We have also partnered with Seed Manufacturers to simplify day to day processes.

EDGE SEED GROWER PLANS

- Create Grower Plans with discount calculations
- Apply treatments and substitutions to grower orders
- View Product Availability with Manufacturers
- Submit Grower Orders and Transfers From Edge Seed to Manufacturer
- Provide Seed Quotes to Grower and to use to create Prepay or Bookings
